## DIRECTIONS TO HORSE SENSE OF THE CAROLINAS, INC.

### **From Asheville**

Take 240 towards W Asheville. Take the "19/23 South" exit to West Patton Avenue. Stay on W Patton for several lights, looking for double right turn with signs saying "Leicester". Take that right onto New Leicester Hwy/63.

Stay on New Leicester Hwy/63 for 13 miles, looking for Meadows Town Road (also known as 1001). Meadows Town is a right turn only. You will also see signs for "Piney Grove Baptist Church" and sign that says "To Marshall". Make that right onto Meadows Town Road. \*(Meadows Town is 2 miles past the Trading Post Grocery at N. Turkey Creek Road).

Go 3 miles in; just across the street from Piney Grove Baptist Church you'll see barns with green tin roofs; that's us. Make a right into driveway with white mailbox: 6919 Meadows Town Road.

### **From Weaverville/Marshall (19/23)**

Take Marshall exit 25/70 toward Marshall. Go to courthouse (old 25/70, not bypass), cross French Broad (you'll be on Bailey's Branch). Follow for several miles.

At intersection w/ Bear Creek, Bailey's Branch becomes Meadows Town Road. Approx. 3 miles from Bear Creek intersection you'll come to another intersection w/ Teague Road on your left and Graham Road on your right. A few houses from that intersection there is a white mailbox: 6919 Meadows Town Road; turn in there! If you pass the Piney Grove Baptist Church on your right, you've just missed us.
